Local Rules
 As posted in Clubhouse.

The White Lake Golf Club was founded in 1916. The first nine holes, on the north side of Michillinda Road, were designed by noted golf course architect Tom Bendelow, and opened for play on July 4th, 1917. In 1925, the club purchased 50 wooded acres south of Michillinda Road, and the front nine, designed by club president E.E. Roberts, came into being. Some changes have been made over the years, but the present layout dates from 1927. Our practice facility and pavilion, made possible by a gift from the McCombs family, opened in 2015, and has quickly become a special place for our members to enjoy.
