

White Lake Golf Club

JUNIOR ACADEMY AGES 7-14

OPERATION 36[®] GOLF

Enroll your junior in the academy and track their progress with the Op 36 app!

Coaches can communicate with you about your junior's progress, help set goals, and give you the tools to guide them outside of class.

Check the app for important announcements!

Juniors deserve a better way to learn to play golf!

Most junior programs are incomplete. That is why the White Lake Junior Golf Foundation uses the Operation 36[®] Development Model which centers around playing golf. The goal is to help your junior shoot par (36) or better for 9 holes.

STEP ONE: Learn Skills in Fun Classes

We make learning the game feel like a game! Your junior will make friends and learn skills in fun engaging classes.

STEP TWO: Play Their First 9 Holes

Coaches will provide your junior with a 9 hole playing experience with the Op 36 Model.

STEP THREE: Train & Track Progress

The Op 36 Mobile App is your families guide to practicing and playing golf outside of classes.

White Lake Golf Club

Learning to Play Golf with OPERATION 36® GOLF

**JUNIOR
DEVELOPMENT MODEL**

**GAMIFIED
(FUN) CURRICULUM**

**TECH DESIGNED
FOR FAMILIES**

At White Lake Junior Golf Foundation we believe that every golf program should be centered around playing golf and making it fun to track progress over time. This is why our facility is excited to be a licensed Operation 36® facility. We leverage the Op 36 Development Model (see below) and technology to make it fun for our golfers to improve their skills.

Mastering the Operation 36 Model:

Golfers Play 9 Holes From Division 1 (25 Yards)

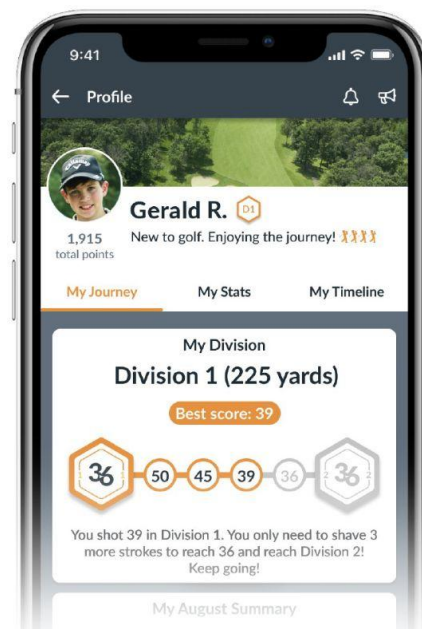

Instead of starting at the full tee box, all golfers begin in Division 1 and will play 9 holes starting 25 yards from each green.

Shoot par (36) or better to pass Division

When they shoot par (36) or better, the golfer progresses to Division 2, where they start 50 yards from each green.

Complete the Division 10 challenge

This challenge continues until the golfer can shoot par (36) from all 10 divisions!
