Our facility is a Licensed Operation 36® Network Facility. We leverage the Op 36 On-Course Development Model (see below) and technology to make it fun for our golfers to improve their skills.

To do this we use the Op 36 App. You will be invited to make your golfer an account in our community. Throughout the week, we will not only send communication through the app, but we also log all on-course scores of the golfers to track overtime.

Any coaching program you join at our facility, we are able to track progress and give you a fun tool to guide your golf development outside of our classes.

THE OP 36 ON-COURSE DEVELOPMENT MODEL

1 Golfers will play 9 holes from Division 1 (25 yards)

2 If you score par (36) you back up to the next division

3 This process continues through 10 Division Journeys

4 All stats & milestones are tracked in the Op 36 App
